

Turning Divisive Issues into Constructive Dialogue

Are your meetings leading to productive outcomes?

Over the past 5 years, Fighting to Understand has been dedicated to helping communities, and individuals to transform divisive conversations into constructive dialogue.

Utilizing various innovative tools, we empower groups to engage in meaningful discussions, assuring that voices are heard and understood. Our approach fosters collaboration and leads to actionable insights, paving the way for more effective decision-making and stronger communities.

FIGHTING TO UNDERSTAND...
Complex topics, with fellow
Americans

Fighting to Understand is a 501 C3

Turn conflict into collaboration today

Let's meet to learn more about your organization and which of our tools are right for you.

- ✓ **Polis Brainstorming**
An interactive online tool to understand what is important to your group.
- ✓ **Dinner and a Dialogue**
An in-person event for up to 70, where tough topics are discussed in a structure format.
